

THIS IS NOT YOUR AVERAGE TOILET PAPER. (OR TISSUES OR KITCHEN TOWELS)

Who Gives A Crap products are made with forest friendly materials, and they donate 50% of their profits to help build toilets for those in need.

GOOD FOR YOU

Who Gives A Crap products are as soft and strong as they are beautiful, and they're made without any chlorine, inks, dyes or weird perfumes.

GOOD FOR PEOPLE

Who Gives A Crap donates 50% of their profits to help build toilets. They've already donated over \$428,500, and with our help (and yours) are shooting for \$1 million!

GOOD FOR THE PLANET

Over 90% of the TP in Australia is made from trees, and we think that's crap. That's why Who Gives A Crap is forest friendly, made with 100% recycled paper or bamboo.
